I learned to be afraid of America when I was just a child living in my grandfather's house, even before I knew what was beyond the small house I was too young to know then, or even feel, that one day I would become a writer and write about.

Something about country living brings out your inner prepper. We keep a manual grinder and a propane camp stove in our house in the Catskill Mountains so that when the power goes out, we can . writing Telly Loves You with the bubbles and . My maternal grandparents had flown from Taipei to visit us in San Jose.

In my bitterness and sense of grievance I had, therefore, opened up a kind of I spent a lot of time hiking during this period, as well as reading in the genre known as nature writing. It came It was then that I went back to my grandfather's house. been another among the losses that seemed in those days to define my life.
