

MENTOR

Joanne Strayhorn

Preventing harm. Protecting young people. - Mentor UK

Mentor Foundation USA works with innovative, evidence based intervention approaches to prevent youth substance use and promote health and wellbeing.

MENTOR promotes, advocates and is a resource for mentoring

A mentor is a person who trains and guides someone, like the second-grade English teacher who saw the spark of creativity in your writing and encouraged you.

The five types of mentors you need in your life |

Arizona State University's online network driving powerful professional connections within the Sun Devil community.

Mentor is the UK's leading prevention charity. We work to protect children and young people from the harms associated with substance misuse.
