The best advice I would have for any parent who ends up having to coach their own child is to sit down before all the practices or games start and talk openly about the situation. Passion involves intensity and total dedication which you have to display in your approach to training and competing. Feel free to share this post and bookmark for future use. Our children grow up faster than is imaginable. My son has shown improvement. Hard work! Magic Johnson - assists. The coaches are at the top of their game. Stay away from it!
