SeminaltextforbroadeningtheAsAmfield. Language English View all editions Prev Next edition 4 of 4. Toward that end, she urges the foregrounding of the constructedness of "Asian American" formations and shows how this understanding of the field provides the basis for continuing to use the term "Asian American" in light of—and in spite of—contemporary critiques about its limitations. PhotobyMichalDaniel.It questions the terms in which Asian American studies have been understood and offers a set of exciting theoretical alternatives, each of which is substantiated by close readings of literary texts.
