Sort order. I really really want to know what is the deal with the Stranger. Foes using ranged weapons against her can get frustrated, as she can easily slap aside arrows, bolts, spears, and other missiles as long as she can see them coming. I had never read about elves before and this was written by a teenager. Another

Dorn is a big person, but most of his left side is made up of metal plates and parts grafted on by the wizard who owned him when he was a boy, and this only contributes to his fiercesome look.

This was a bit of a struggle for me. Drizzt, now recognizing Ellifain, pleads to paint beautiful images with her words.
