From The Heart areas, in-patient hospital rooms, and chemotherapy infusion bays become temporary art studios for patients and their families, transforming the hospital environment. And it goes down into-- and you can probably guess what this one is called-- it's our left ventricle. And this is a vein, of course, because it's bringing blood towards the heart. MakeaDonation!Monthly food pack and weekly perishable food distributions. Video transcript So what you're looking at is one of the most amazing organs in your body.
