Todd is just a month away from becoming a man, but in the midst of the cacophony, he knows that the town is hiding something from him - something so awful Todd is forced to flee with only his dog, whose simple, loyal voice he hears. Todd lives in Prentisstown, has a dog called Manchee, and has never seen a female. I picked up The Knife of Never Letting Go by Patrick Ness thinking it was going to be a dystopian, but as far as I understand the definition of a dystopian, this is not one.
