In fiction the thief is the last man you suspect. The two shocks came almost simultaneously. It is a queer animal, quaint rather than beautiful.

Well, to continue this strangest story. She will write in a rag where she should. There was an interview with Philip Della Garda, who had seen her and had told of his recognition in half a column of closely set type. How could she disobey him? Don't understand it.

To vote on books not in the list or books you couldn't find in the list, you can click here. You should still be scratching the outlines of deer on the remains of mutton bones and bartering flints for sheep skins or whatever simple ornament took our unsophisticated taste. Down comes her book upon our heads.
