As a philosopher, Heidegger developed existential phenomenology. Elizabeth rated it liked it Dec 04, That, Russell complained, runs contrary to a robust sense of reality, according to which everything exists. Das Ereignis Wahrheitsfrage als Vorfrage. One can see the latter development in a pregnant passage from Heidegger's piece, Building Dwelling Thinking. Having completed what we might think of as the first phase of the existential analytic, Heidegger uses its results to launch an Existence And Being on one of the front-line representatives of the tradition, namely Descartes. In Heidegger became a junior colleague of Edmund Husserl when the latter joined the Freiburg faculty.
