Consistency involves providing uniform and compatible guidance and support to forces across all levels of operations. In doing so, they enable the mobility of friendly forces and alter the mobility of adversaries. Please help improve this article by adding citations to reliable sources. The Army Theater Distribution. These skills enable commanders to improvise operational and tactical actions when enemy actions or unexpected events disrupt sustainment operations. The Hook-Handed Man seems to relish in his use of his hook hands. And if something isn't working out, you shouldn't be sitting around wondering logistics. Approved for public release; distribution is unlimited.
