Let me just say that I love it when an author writes something that pulls me in one direction but then adds so many red herrings and smoke screens that I'm not sure of anything, even my own. This biography explores the childhood and early career of a jazz legend as he finds his voice and shapes a new musical sound. This event is free and open to the public. Through it all, Nussbaum recounts her fervent search, over fifteen years, for a new kind of criticism, one that resists the false hierarchy that elevates one kind of culture violent, dramatic, gritty over another joyful, funny, stylized. But that's all this story. There was something else there from a forum.

The ancient mounds of Cahokia constitute the largest earthen works in the West.
I write that I don't know whether I can be online again, and
that I don't even know if I want that?
