Infinite Mind is nothing like finite mind, as generally conceived. As the lion is the king of the beasts, so the eagle is the king of the birds. Not only is I Intelligence manifest in this creation, but any examination beyond the most superficial shows that this production is not only Mind-directed, but Mind- created and therefore Mind-constituted.

Knottswritesfromtheperspectiveof26yearsofeducationand30yearsof And so, beginning long before Lent and continuing to Easter, our congregation sat this year, week after week, and listened to what Jesus had to say about being his followers. It's image has been reproduced on their coins, seals, emblems and flags. So it is throughout the list. Somehow the ability to fly has epitomize the longing of man to rise above the natural limitations of earth-bound mortals and soar into the realm of the supernatural. Daniel T.
