The authors have found that companies often recognise they have problems to resolve with the customer but they score relatively poorly on how well they communicate and develop improvement plans to both their customers and their employees. Starting at the top means that leadership and management must set the tone.

You must give your employees the power to do so. If you really let people experience it. Often training and coaching interventions need to be designed to support desired behaviours and create a culture where the customer is king. Cultivating a good company culture is hard. Hi Barry! Letting people know when they are doing a good job may be the motivation. do you want to work in customer service?
