Beset by financial problems, bad investments and the complete failure of his meth lab experiments... ..Twain looked to work off some steam. As Taylor and Brewer have noted, this return to the medieval "chronicle tradition" of Geoffrey of Monmouth and the Historia Brittonum is a recent trend which became dominant in Arthurian literature in the years following the outbreak of the Second World War when Arthur's legendary resistance to Germanic enemies struck a chord in Britain. They are designed to keep learners interested and motivated through tight control of the plot, vocabulary, and grammar, and have been specially written or adapted within a controlled vocabulary level and grammatical syllabus, with difficulty increasing through the levels.

The earliest literary references to Arthur come from Welsh and Breton sources. Animals 3. I would definitely recommend getting the Michael Forman illustrated version. The character that rises to the surface is the protagonist and his colorful

ranting. Little Amber, a small Viking girl, took a wrong turning years ago and has somehow ended up in modern-day Britain.
