What, then, is the point of sneaking into an elite school, if you lack the ability to master the material? Perhaps, as Samuels would have Ivy League Lies, we can just hand the keys to the kingdom over to these students in reward of their sincerity and intellectual passion, but of course it would never work out that way. How dare they?

Choosing the wrong college can be bad for mental health. Neither of these are p
If you have an older Salon account, please enter your username and password below: sign in Forgot Password? They are compelling, he suggests, because they are serious about something other than their own status climb.

I graduated from Brown a few weeks ago, and I am terrified of the future. I totally agree with you that there are larger forces at work, and Duke is only a participant in this problem. I got there by busting my tail in college.
