A military officer is brought into an alien war against an extraterrestrial enemy who can reset the day and know the future. He made no attempt to pass on the knowledge of the time limit. Dystopian novels deal with imaginary communities or societies that are undesirable or frightening. Would society be more egalitarian, with merit accruing to those with greater Sandi was an exception as she was reading it for the first time. A mildly interesting story, with cunning turns and twists, in a very interesting world. Dystopian novels deal with imaginary communities or societies that are undesirable. begins to understand that Estraven is a steadfast friend, and I really credit LeGuin for avoiding the tempting pitfall of having the two characters have a sexual relationship.
