A: As a course student, you have access to eBook versions of the Manhattan Prep books included with your program, in addition to the shipment of hard copies. I have also included a 5-minute video clip about whether it was wrong to drop the atomic bombs on Japan. Tired of giving lectures on complex historical topics?

If you are not able to devote hours to homework each week, we recommend allowing After watching the videos, the students will each be given a bag of letters that spell the vocabulary words. We recommend studying for a few hours every day, rather than cramming all of your assignments into a day or two – spreading out your studying will help you better retain what you've covered.
