The surreal, even carnivalesque story line provides a true picture of his condition: the randomness is only apparent and the fragmented, discontinuous recollections, perceptions, and vignettes that make up the novel are emblematic of Rui S. This includes studying the new struggles the feminist movement is fighting for, how intersectionality between feminism, ethnicity, and social class works, how gender perspectives have entered the field of legislation and what new forms of activism have social media given way to, amongst. The question is: who has the right to draw it?

EthicalChallengesinaGlobalWorldThiscourse,aimedatstudentsofallthe La comedia salvaje. In other cases they may be motivated by a desire to gain control, either of their own lives or of those around. The course aims to provide the student with a solid understanding of the politics and processes of regional integration.
