Future enemies can be expected to develop sophisticated media strategies to draw attention to, and assign external blame for, the suffering of their people; the possibilities available to them for distortion, manipulation, and disinformation are growing. When Browne arrived in Saigon, there were 3, U.

Students pursuing coursework in public relations, foreign policy, and international relations. See the Descriptive Pamphlet in reference for additional information. Rather, the downing of a Blackhawk helicopter reignited a policy debate in Washington over the escalating goals and risks of the operation, a debate that had become dormant because of the good news to that point and apparently low costs. Policy during the most prolonged crisis of the Cold War. Liam marked it as to-read Feb 20, Indeed, pictures of apparently unscathed Serbian tanks leaving Kosovo at the conclusion of the conflict gave the impression that airpower had been a complete shambles.
