Without rancour, Crook observes: He did seem to be all knowing and all seeing. There is no choice. How do you pull and push yourself up the vertical cliff of a mountain?

While it is stressed that those leaving the school are not being judged on the

These qualities are rarely found in those who do not have some sort of movement background. These are self-contained and could – apparently – be presented in any order. The improvisation can be explored singly, in pairs or in large groups.

After a short introduction the director departs, leaving the teacher alone

-- Study and teaching. These points of immobility allow you – and the spectators – to discover that the space remains alive and dynamic even when you are motionless.
